**SUPPLEMENTARY INFORMATION:**

The FAA invites public comment on the request to release the aeronautical use only grant provision for three parcels on the west side of FAI, under the provisions of 49 U.S.C. 47107(h)(2). The Alaska Department of Transportation and Public Facilities has requested from the FAA that West lease lot block 10 (lots 8/9); West lease lot Block 3 (lot 12) and West lease lot Block 3 (lot 13) be released for non-aeronautical use. These lease lots have no direct access to the airfield. The FAA has determined that the release of the property will not likely adversely impact future aviation needs at the airport and will generate revenue for the airport via assessment of lease rates at the non-aeronautical rate. The FAA may approve the request, in whole or in part, no sooner than 30 days after the publication of this notice.

Issued in Anchorage, Alaska, on August 21, 2019.
